

Deposit Information

To hold your pick, we require a \$300 deposit (the deposit applies to the total cost of the puppy).

Picks are given in the order that the deposits are received, and if the particular pick is not available, than the client is given their choice of what remains, or waiting for the next litter to arrive.

Deposits will be refundable until the time that the puppies are born. Once they are born and you decide the sex and color you would like to have, the deposit becomes nonrefundable.

Deposits can be made via Paypal or by mailing a personal check, cashiers check, or money order to the address at the bottom at the page.
